

MLS GO

Player Data Requirements

MLS GO Player Data Requirements

When building registration for your MLS GO league, there are MLS and MLS GO data requirements that must be met, to be provided to RCX.

Please ensure your registration process collects the following information for each participant:

- Player First Name
- Player Last Name
- Player Gender Identity
 - Options: Female, Male, Non-binary, prefer not to specify
- Player Age or Grade (your choice)
 - Age format: Numbers only, 4 through 14
 - Grade format: Pre-K, Kindergarten through 8th
- Player DOB
 - Format: DD/MM/YYYY
- Player Jersey Size:
 - Options: YXXS, YXS, YS, YM, YL, YXL/AS, AM, AL, AXL
- Player Shorts Size:
 - Options: YXXS, YXS, YS, YM, YL, YXL/AS, AM, AL, AXL
- Player Sock Size:
 - Options: YS/YM, YL/YXL, A
- Player Race/Ethnicity
 - Options: Black or African American, Arab/Middle Eastern, American Indian/Alaska Native, Canadian Indigenous or First Nations, Hawaiian/Pacific Islander, Hispanic/Latino(a), White/European, Other (write in), I do not wish to disclose

- Parent First Name
- Parent Last Name
- Parent Email
- Parent Cell Phone
- Parent Zip/Postal Code

In addition to the above data requirements, you are also required to include the following questions and policies:

- [MLS GO Player Agreement and Waiver](#)
- [Marketing Opt-In Verbiage](#) (mandatory marketing opt-in)
- [MLS GO Privacy Policy & Terms of Service](#)
- [What is Your Favorite MLS Club?](#) (must use full list of options)
- [How did you hear about MLS GO?](#) (must use full list of options)

The required data collected in registration will be paired with additional data you determine to be uploaded in Matrix, to place your order.

You can reference this order placement resource to determine any additional registration questions you want to include.
